

# Education

Preschool added a class - older kids that parents think should wait for kindergarten - older 4's & 5's

Promotion of parish mission at the fore of all enterprizes

\*\* Question - what is the objective of the mission?

We'll aim to get a rep from the Spanish Bible Study - and firm up our other membership.

GIFT enrollment is on track - we have even had three families join the parish over the last month in order to participate in GIFT (although parish particip. is not mandatory)

— Our GIFT theme for year is <sup>Professing Our Faiths</sup> we'll take one section of the creed <sub>each mo.</sub>  
We are working to make sure we are in ~~the~~ line with Fr. Stan's push for marriage enrichment.

RCIA is up and running 2 firm participants, two others on the fence. We have sponsors for those firmly committed. - Peggy is looking through the marriage file to find others who might be interested.

HFRS - School started last week - Meet the teacher events are taking place. Enrollment down (due to the economy) cuts were made over past year to keep all in the black. Late summer enrollment picked up and <sup>most of</sup> ~~some~~ staff were able to be called back.

Cuts in the AOD will effect the opportunities ~~in~~ for offerings in Education. We are waiting til things settle in order to plan big initiatives.

ACTs is available again at St. Irenaeus
