

STEWARDSHIP COMMISSION (SC) MINUTES

19March, 2016

Attendance: Laura Corrion, Ken Corrion, Richard Danforth, Carol Gunther

SC's Mission: to promote, encourage, and pray for the tithing of time, talent, and treasure by all parishioners in spiritual and material support of our parish.

1. Old Business: Parish-wide Census

- a. Discussed the purpose of the parish-wide Census and where we are headed with future Stewardship goals. We talked about what's working and what's not and how volunteerism serves our parish.
- b. Reviewed changes Ken made to the Census format in an attempt to shorten the skills and interest section as suggested by the SMOTH parish staff. Thank you, Ken for the work done on the format.
- c. SC agreed that the purpose of the Census is twofold: 1.) To accurately identify who are parishioners are and 2.) To build a database of skills and interests so we might draw volunteers from a broader base and improve our parish life by getting more people involved.
- d. Discussed the future of the Stewardship Commission with the term expiration of Parish Council representative and president, Richard. We need to examine our successes and our future goals.

2. New Business: None.

- 3. Next SC meeting is Saturday, 16Apr at SMOTH prior to Parish Council meeting. We start at 8:00AM in the Chapel with prayer.**
