Meeting Called: 8:35 a.m.

Catholicism Meetings: Men's Saturday morning group still going strong. They are on Episode 7 next weekend. There are 10 episodes altogether.

Discovering Christ: This is a seven-week series starting January 22, 2015 every Thursday evening. Evangelism is spearheading this event but all commissions are assisting out in various ways. Pre-registration is required. Marlene will meet with Mark Joyce later today to discuss food for dinners each week.

Bicycle Workshop: This will be sometime in spring. There will be BBQ.

Gardening Ministry: There will be a planting day around Memorial Day week. Not sure of day. This ministry has a new woman chairing. There will be hot dogs and chips served to the workers.

Picnic for 2015: It will be held August 23 from 12 to 3 pm. Some discussion was on how to cook the corn. It could be shucked by those eating it or volunteers and then steamed. It can also be un-shucked and roasted on the grill. We would like to have the grill set up near the corn area with tables for eating set away from grill area.

Anniversary Mass: This is in February around Valentine's Day. If you can help, contact Chris Klemmer. Watch for articles in the bulletin.

January Chapel Service: Fellowship look up verses in Bible that relate to the companionship of the Apostles or that of being a good neighbor/friend. *Webster's definition: Community of interest, activity, feeling or experience. Company of equals or friends.* Marlene will also ask Sr. Grace for guidance on what is required.

Meeting adjourned at 9:40 a.m.
