

## St. Mary of the Hills Fellowship Minutes Saturday, Oct. 17, 2015

**Chairperson:** open; **Vice-Chairperson:** open

**Present:** Loretta Bonello, Jay Fedewa, Dee Mazzola, Judy Rhoads and Michaelleen Dolinski

**Fellowship:** We were to bring a friend to this month's meeting. Michaelleen brought Dee and Judy invited Angie Kadowaki (couldn't attend, out of town). Loretta invited a guest but they couldn't accept.

**AGAPE:** Vicariate group is here now. We should help boost this group. Eventually invite them to our commission meetings. As part of our hospitality, a coffee meeting with the youth group could be an option. Our goal is to get more young people to mass. This is our tool to bring/attract young adults (18-35 year olds). They have a month mass Saturday evening and a periodical retreat. Folks that were on SAW are looking to get with AGAPE. Kim (from AGAPE) will be coming to a meeting with the Senior Group that seniors can invite grandchildren to come. St. Mary's collected \$2,000 for scholarships.

**Facebook:** Judy meeting with Chris Drouin on media.

**Photos at Events:** Everybody should take photos while at a social church event and submit to [socialmedia@smoth.org](mailto:socialmedia@smoth.org). Article on this will be in bulletin October 24th.

**Picnic:** Is this a fellowship event or a separate group? Feeling is that this is a fellowship event and should not be a one-person committee, but a group. Loretta asked if staff could help with this? Parish staff is not able to – too much else to do. Everybody from Fellowship will help with the picnic next year. Father wants this to be scheduled in August.

**Coffee and Doughnuts:** Feeling is a bigger donation box with new signage may help with donations. Article in bulletin tends to get overlooked. Loretta will put together a new sign and email to Dee for drop-off at church today.

**Sharing Christ:** The retreat is Nov. 7th. Marlene needs help serving, setting up and cleaning up at retreat. Any help is appreciated.

**AEDs:** Are new pads needed, are batteries good? This is for the office to handle.

**Euchre Party:** A winter event. This is a fun night. If we aren't selling liquor and make the night a self-funded night, a liquor license is not required. Dee is willing to help with this event.

**Next Meeting:** November 21, 2015, 7:45 am Chapel Service.
