

by Steve Weidenkopf & Dr. Alan Schreck

Every time you do your homework, jot down questions and ideas that pop into your head. You may want to get a notebook and/or binder and loose-leaf paper to record information. If you have information that you'd like to share, either bring it to class, or email me and I'll print it out for everyone. We'll take time to share this information in class.

## Study Schedule:
