Description of Volunteer Positions

Crew Leader Crew leaders escort a group of five children from station to station. They keep track of their crew at all times and help them to participate in all of the day's activities. **This job is best for youth who can commit to work the entire week.**

Décor Every year we do our best to decorate our place so that everyone knows what we are up to! Are you creative or just happy to follow someone else's lead? Decorating will take place on Saturday, June 17, 10 AM - Noon.

Music If you want to learn fun new songs, and help the children learn them too, this job might be for you! Help is needed in teaching the words and motions to our VBS songs. If you don't mind singing in front of a group, this job is for you!

Play Peru Youth are needed to assist with the active, outdoor games. This job is only for those that follow direction well, and want to work directly with the youth. Please don't volunteer for this job if YOU want to play outdoors. Volunteer if you can work all morning, and want to make sure the PARTICIPANTS are having fun.

Bible Expeditions Youth are needed to help act out Bible story skits for each day in a play-type format. If you are comfortable in front of a large group this spot is for you!

Incan Eats Youth helpers are needed to help make the daily snack and clean up. This job is good for those youth who can't be here all week.

Arts and Crafts Do you like to help little ones? Youth help is needed to assist with arts and crafts. This is an all morning commitment, but you don't have to be here for the entire week to help in this area.

Newsletters/Photos Youth helpers are needed to assist with posting photographs, copying newsletters, distributing them, etc. If working with kids really isn't "your thing" but you still want to help, this job might be for you. This job is great for those who can only help out one or two mornings.

Babysitting Youth are always needed to assist the adults with babysitting. This job involves caring for children newborn to three years old. You'll help supervise playtime on the play structure, and assist with other duties.
