Chairperson: John Schuler **Vice-Chairperson:** open

Present: Loretta Bonello, Jay Fedewa, Judy Rhoads, John Schuler, Julie and Denise Kay

Euchre Party: Party is tonight, there are enough people to help out at 5 pm. Rectangle tables messy but we will use them and just cover them up. We are expecting 75 players, a few non-players are coming to socialize and maybe learn how to play Euchre. There will be a rookie table for them. We expect some walk-ins. Guys will be setting up projectors to show scores. Euchre money (.25c) will be collected for euchres and will be donated. Marlene had a grid to figure out pop for quantity of people. After party, we will document party so we know where to go for what, amount of leftovers, etc.

Youth Mass: This is coming up soon. There is to be pizza, salad and pop after. John has talked to George about this and it is not an issue. Thought is to check if we have an account at a pizza place and charge the food to that account. Question is who does that? It was suggested that a count of attendees at mass be done to get a precise amount of pizza to order. As of today, the gym has not been reserved. Sherry Link may be the person who would know about ordering the pizza.

Picnic Committee: August 27th is the picnic. Katherine Greig should be starting meetings sometime in April.

Budget: Our budget comes from finance.

New Business

Perhaps do another Euchre party in the fall. We will see how this one goes to determine.

Next Parish Council Meeting: April 22, 2017
