The theme for 2017-2018:

Sacraments:

Celebrations of God's Love

This year, we will be discussing how we celebrate the seven sacraments and how those sacraments work to bring us God's love. This is a great topic for learning about how to live as a Catholic, so children and their parents will understand all of the "things we do" at Mass and in the other celebrations we have here at church. Literally, a "don't miss it" year of formation!

For Your Information:

Our formation programs follow a six year rotation. While we talk about sacraments, the bible, Mass, and other aspects of being Catholic at all of our sessions, there is one main focus each year. The only way to get a full learning experience is to attend AT LEAST a full six year rotation. We all benefit from this six year rotation because few of us will remember all of what we learned six years ago, and it allows the older students to learn about concepts taught in first and second grade at a much deeper level. **The upcoming themes are: 2017-18: Sacraments, 2018-19: Justice, 2019-20: Jesus, 2020-21: Following Christ Brings Happiness, 2021-22: The Creed, 2022-23: The Church Year - Being Christian in Our World Today, and so forth...**
