Present: Carol Birch, Jay Fedewa, Denise Kay

Minutes: Submitted by Denise Kay

August 27th Picnic: The picnic was a big success. Serving the hot dogs in the gym worked out much better than serving outside. Lots of activities for the kids and they seemed to enjoy the day. The Fire Department was also a big success.

Ideas for This year: Hold 2 or more Euchre nights. These are easy to plan and the one last year was very successful. Other suggestions were spiritual movie night at a local theater or a speaker event such as having a representative from the Rochester Historical Society. Carol was going to check into having a speaker for the historical society. Denise will check out opportunities at theaters to have a movie presentation.
