

Stewardship November 2017 Updates

Submitted by Lisa Larson

JOY Celebration Event

It went well. Many, many thanks to Bev Schuler, Carol Gunther, Beth Belskey & Cheryl Garneau for their tremendous, help in setting up and cleaning up the gym. Also, thank you to the Georges and many others who, I'm sorry, I don't have everyone's names remembered yet for your assistance and encouragement.

We received @75 Volunteer Ministry forms that I will be putting into a spread sheet and forwarding to specific ministries.

This afternoon I am headed to St. Mary's in Royal Oak to meet with Tom Scholler-AOD, Sharon Williams-SHMS, and others to discuss and brainstorm the possibility of a stewardship day/conference in the AOD and how and if we can make this happen. Sharing our JOY!
