The system also sends an email containing your login credentials (username and temporary password) to the email address you provided in your registration.

After you receive the email, log in to your account. Check your **Spam** or **Junk E-mail** folder if the email does not arrive within a few minutes after you submit your request. For login instructions, go to [How to Log in to My Own Church](#).

Review time varies, but the process is typically completed within three days. Upon approval, you will receive an email containing your login credentials (username and temporary password). Check your **Spam** or **Junk E-mail** folder if the email does not arrive within that time frame. After you receive the email, log in to your account.
