April Skills

In April we will focus on letters G (for Giorgio), H and I. We will continue to practice writing and drawing, scissor skills, patterning, numbers 1-10 and letters. We will compare sizes and measure with non-standard units. We will also continue rhyming, using/recognizing our last names and we will begin to sequence stories and events. As always we will reinforce manners and kindness and how to be a good friend.

Religion

We will go back to the Old Testament and review how God made the world! We also will learn about Adam and Eve, and Daniel and the Lions.
